

**Emergency Medicine Physician and Assistant Medical Director –Emergency Room (ER)
Franklin Memorial Hospital
Farmington, Maine**

Franklin Memorial Hospital is seeking **Emergency Medicine Physician and Assistant Medical Director – Emergency Room (ER)** in Farmington.

Emergency Medicine Physician

Enjoy a dynamic practice in an outstanding 10 bed community Emergency Department with over 16,000 visits per year with a well-rounded case mix. The ED is well supported with local hospitalist and other consultative services along with robust ancillary services. The Emergency Physician will work 12 shifts a month, which will include 7a-7p, swing shift 10a-8p, and 7p-7a.

Assistant Medical Director

The Assistant Director will divide his/her time, with 20% spent on administrative responsibilities and 80% clinical time. The Assistant Director will work closely with the Medical Director to provide and maintain the ED provider schedule, supervise and direct ED providers and staff, provide clinical oversight of the hospital owned EMS service, and the ED's clinical quality of care and Quality Improvement Program. This position would provide an outstanding opportunity for mentorship and growth for someone looking to expand their health care leadership experience.

Compensation and Benefits:

- Flexible Benefits package includes medical, dental, vision and life insurance, short and long-term disability coverage, and 403(b) tax sheltered retirement plan with a company match.
- Education loan repayment available
- Malpractice coverage
- Support for professional memberships, CME and certification fees.
- Recruitment and relocation allowance available.

Greater Franklin County is tucked in the beautiful western mountain foothills of Maine. One of the most spectacular places in New England, Greater Franklin County is a charming four-season region offering numerous opportunities for its 40,000 residents, including a nationally-acclaimed health care system, the pristine Rangeley lakes region, panoramic views and bustling downtowns with a distinct local flavor and the home of the University of Maine at Farmington. The area offers some of the most breathtaking natural beauty and outdoor recreation found anywhere in a safe community environment.

Franklin Community Health Network, parent-corporation to Franklin Memorial Hospital, is a member of MaineHealth, the premier healthcare system in Maine, and is nationally renowned for its innovative programs in rural healthcare. Franklin Memorial Hospital, a 65-bed, acute care, Joint Commission accredited facility, serves 40,000 residents of west central Maine, including an Ambulatory Surgical Unit which includes 3 operating rooms. Our progressive 40-member medical staff offers outstanding collegial relationships, and specialty and primary care referrals are readily available.

We offer a highly competitive compensation package with comprehensive benefits, a recruitment/relocation bonus and student loan repayment. Maine is known for being a safe place to live and to raise a family with nationally-ranked schools. New Physicians, staff and their families at

Franklin Memorial Hospital can enjoy an added benefit of a paid ski pass at nearby Sugarloaf Mountain, offering world-class skiing and home to Olympic Gold medalist Seth Wescott.
