Maine Chapter ACEP wants to be your home for information, networking, and advocacy. As we look ahead to 2024, we want you to share some ways that MEACEP can help you. Please visit the website for a survey link and tell us about issues that are important to you.

There are so many important ways you can help advance the needs of your peers and profession. MEACEP is here to help support the members who are leading the effort. Your contributions to the community, whether on a committee, providing testimony or participating in discussions, make a difference - find out how you can get involved!
